

For the prevention and cure
BILIOUS AND MALICIOUS FEVER.
is recommended
Hahn's Anti-Bilious Pills
THIS Medicine has been attended
with a degree of success highly grateful
to the inventor's feelings in several parts
of the West Indies and in the Southern
and Middle States, &c.

The testimony of a number of persons
can be adduced, who have reason to be-
lieve that a timely use of this salutary
remedy has, under Providence, preserved
their lives when in the most alarming cir-
cumstances.

Facts of this conclusive nature speak
more in favour of a medicine than coun-
tains of pompous eulogy founded on
mere assertion.

It is not indeed presumptuously pro-
posed as an infallible cure, but the inven-
tor has every possible reason that can re-
sult from extensive experience for be-
lieving that a dose of these Pills taken
once in every two weeks during the pre-
valence of our bilious fevers, will prove
an infallible preventive; and further,
that in the earlier stages of those diseases
their use will very generally succeed in
restoring health, and frequently in cases
esteemed desperate and beyond the power
of common remedies.

The operation of these pills is perfectly
mild, so as to be used with safety by per-
sons in every situation and of every age.

They are excellently adapted to carry
off superfluous bile and prevent its mor-
bid secretions—to restore and amend the
appetite—to produce a free perspiration
and thereby prevent colds which are of-
ten of fatal consequences. A dose never
fails to remove a cold if taken on its first
appearance: they are celebrated for re-
moving habitual costiveness—sickness at
the stomach and severe head-ache—and
ought to be taken by all persons on a
change of climate.

They have been found remarkably effi-
cacious in preventing and curing disor-
ders attendant on long voyages, and
should be procured and carefully preserv-
ed for use by every seaman.

covery is of the first magnitude, as it af-
fords immediate relief, checks the pro-
gress, and in a short time entirely re-
moves the most cruel disorders to which
children are liable. The Elixir is per-
fectly agreeable, and the dose so small
that no difficulty arises in taking it.

Hamilton's Grand Restorative,
Is recommended as an invaluable me-
dicine for the speedy relief and perman-
ent cure of
Nervous Disorders, Violent cramps in
Consumptions, the stomach and
Loss of appetite, Indigestion

Mustard.**

and chronic rheumatism, gout, rheumatic
gout, palsy, lumbago, numbness, white
swellings, chilblains, strains, bruises, pain
in the face and neck, etc. etc.

Lee's Ointment for the Itch.
Warranted an infallible remedy at one
application, may be used with perfect
safety by pregnant women, or on infants
a week old, not containing a particle of
mercury or any dangerous ingredient
whatever, and not accompanied with that
tormenting smart which attends the ap-
plication of other remedies.

**Hahn's true & genuine German Corn
Plaster.**

An infallible remedy for corns, speedily
removing them root and branch, with-
out giving any pain.

The Genuine Persian Lotion,
So celebrated among the fashionable
throughout Europe, is an invaluable cos-
metic, perfectly innocent and safe, free
from corrosive and repellent minerals,
the basis of other lotions, and of un-
paralleled efficacy in removing blemishes
of the face and skin, freckles, pimples,
inflammatory redness, scurfs, tetter, ring-
worms, sunburns, prickly heat, &c.

Hahn's genuine Eye Water,
A sovereign remedy for all diseases of
the eyes, whether the effect of nature's
weakness or of accident.

Tooth Ache Drops.
The only remedy yet discovered which
gives immediate and lasting relief to the
most severe instances.

intermittent fevers.

may be had gratis, describing cures per-
formed by the above medicines; the num-
ber, importance and respectability of
which, fully justify every article of this

militia and Indians, descended the Es-
cambia in boats, attacked the hostile In-
dians on Pensacola bay, within one mile
of the town of Pensacola, on the 25th ult.
killed nine men, wounded twelve or thir-
teen, and took eight prisoners, with the
loss of only one man. The expedition
was so skillfully conducted that the ene-
my were not apprized of danger until the
attack was made. The day afterwards
the governor of Pensacola issued a pro-
clamation forbidding the inhabitants fur-
nishing the Indians with provisions on
any conditions, and informed their chiefs
that they should not be protected. The
hostiles have since sued for peace through
the governor of Pensacola, and are to be
conducted to Fort Crawford in a few
days, where Gov. Bibb will meet them.
The Haycon remarks, "It is due to go-
vernor Bibb, to say that the safety and
protection which has been given to our
frontier is almost wholly attributable to
his exertions. We are warranted in
stating that at the most critical period of
the late disturbances, he was seen tra-
velling through the most dangerous part
of the country, at and near the scene of
Indian murders, with no other guard or
protection but his own, solely with the
view of making arrangements for the
protection of the inhabitants. He has
undergone the greatest privations for the
good of the country—hence he deserves
the highest meed of approbation.
The war on our frontier has probably
now terminated, and it remains only by
proper arrangements, to secure our citi-
zens from depredations for the future.

THE LATE MR. SHERIDAN.
As Mr. Sheridan was coming up to
town in one of the public coaches, for the
purpose of canvassing Westminster, at the
time when Pull was his opponent, he
found himself in company with two
Westminster electors. In the course of
conversation, one of them asked the other
to whom he meant to give his vote?—
When his friend replied, "To Pull, cer-
tainly; for though I think him but a
shabby sort of a fellow, I would vote for
any other rather than that rascal Sheri-
dan!" "Do you know Sheridan?" asked
the stranger—"Not I, sir," answered the
gentleman; "nor should I wish to know
him." The conversation dropped here;
but when the party alighted to breakfast,
Sheridan called aside the other gentle-
man, and said—"Pray who is that very
agreeable friend of yours? He is one of
the pleasantest fellows I ever met with,
and I should be glad to know his name!"
His name is Mr. T—; he is an emi-
nent lawyer, and resides in Lincoln's
inn-fields. Breakfast over, the party re-
sumed their seats in the coach: soon af-
ter which Sheridan turned the discourse
to the law. "It is," said he, "a fine pro-
fession. Men may rise from it to the
highest eminence in the state; and it
gives vast scope to the display of talent;
many of the most virtuous and noble
characters recorded in our history have
been lawyers. I am sorry, however, to
add, that some of the greatest rascals
have been lawyers; but of all the rascals
of lawyers ever heard of, the greatest is
one T—, who lives in Lincoln's in-
n-fields." "I am Mr. T—," said the
gentleman—"And I am Mr. Sheridan,"
was the reply. The jest was instantly seen,
they shook hands, and instead of voting
against the facetious orator, the lawyer
exerted himself warmly in promoting his
election.

Land for Sale.

THE Subscriber wishes to dispose of the whole or a part of a tract of LAND, containing between 6 and 700 acres, lying within 5 miles of Alexandria and 4 and a half from the Washington bridge, and divided into four parts by the Leesburg road and the turnpike from the Washington bridge to the Little River turnpike. No. 1 contains about 60 acres, has a fine orchard and some young wood, and is partly enclosed.—No. 2, containing about 80, and No. 3 about 150 acres, lay nearest to Alexandria, and are entirely covered with a young growth of hickory and oaks with some wood—these three parts lay admirably for cultivation, and the latter has on it one of the finest springs in the county. No. 4 has on it a two story frame house with two large rooms on a floor, kitchen, laundry and smoke house, together with several tenements, one of which, situated at the junction of the two roads, is an excellent wagon stand, well known by the name of Bont's Tavern. There are on it also, several orchards, some fine springs, and a never failing stream sufficient for water works: part of it is in cultivation and tolerably well enclosed, with a sufficiency of wood. The three first parts may be had separately, or the whole together at a very moderate price, on the following terms, viz. One-fourth cash—one-fourth on the first September next, and the balance in two equal annual payments thereafter, with interest.—Possession will be given to the purchaser immediately. The title is good and free from encumbrance. The premises will be shown by J. B. McFarling, living thereon, and any application directed to me, in Washington City, will be attended to.

LEE'S MEDICINE STORE,

No. 46, Maiden lane, New-York, a fresh supply of the following valuable MEDICINES:

Hamilton's Worm-destroying Lozenges.

Which have within sixteen years past cured an immense number of persons of both sexes of every age and in every situation, of various dangerous complaints arising from WORMS, and from obstructions or foulness in the stomach and bowels.

This medicine bears no analogy whatever to others of similar titles so commonly complained of as operating with violence; on the contrary a particular excellence of this remedy is its being suited to every age and constitution. It contains nothing but what is perfectly innocent & is so mild in its operation that it cannot injure the most delicate pregnant lady or the tenderest infant of a week old should no worms exist in the body; but will without pain or griping cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders. The lozenges are particularly efficacious in carrying off all gross humours and eruptions, feverish and bilious complaints, and are the safest and mildest purgative that can be used on any occasion.

Description of Worms, and the symptoms by which they are known.

Worms which infest the human body are chiefly of four kinds viz.—The Terebra or large round worm; the Ascariides or small maw-worm; the Cucurbitina or short flat white worm; and lastly, the Tenia or tape-worm, so called from its resemblance to tape. This is often many yards long and is full of joints. It is most hurtful and most difficult to remove.

Among the symptoms attending worms are,—disagreeable breath, especially in the morning; bad and corrupted gums; itching in the nose, and about the seat; convulsions, epileptic fits, and sometimes privation of speech; starting and grinding of the teeth in sleep; irregular appetite, sometimes loathing food and sometimes voracious; purging with slimy and fetid stools; vomiting; large and hard belly; pains in the head and thighs and lowness of spirits; slow fever with small and irregular pulse; a dry cough; excessive thirst; sometimes pale and unhealthy countenance and sometimes the face bloated and flushed.

Persons afflicted with any of the above symptoms should have immediate recourse to Hamilton's Worm Destroying Lozenges, which have been constantly attended with success in all complaints similar to those above described.

A dose of this medicine given occasionally during the warm season, will effectually prevent "the vomiting and purging of children"—a dreadful disorder, which annually destroys thousands of the infant part of our citizens. It is likewise the mildest and most certain remedy known, and has restored to health and strength a great number when in an advanced stage of this fatal complaint. Particular and plain instructions are given for every part of the necessary treatment in such cases.

Children generally take this medicine with eagerness; having a pleasing appearance, and an agreeable taste.

The Restorative Powder for the Teeth and Gums.

For the prevention and cure of

BILIOUS AND MALIGNANT FEVERS

is recommended

HAHN'S ANTI-BILIOUS PILLS

THIS Medicine has been attended

with a degree of success highly grateful to the inventor's feelings in several parts of the West Indies and in the Southern and Middle States, &c.

The testimony of a number of persons can be adduced, who have reason to believe that a timely use of this salutary remedy has, under Providence, preserved their lives when in the most alarming circumstances.

Facts of this conclusive nature speak more in favour of a medicine than columns of pompous eulogy founded on mere assertion.

It is not indeed presumptuously proposed as an infallible cure, but the inventor has every possible reason that can result from extensive experience for believing that a use of these Pills taken once in every two weeks during the prevalence of our bilious fevers, will prove an infallible preventive; and further, that in the earlier stages of those diseases their use will very generally succeed in restoring health, and frequently in cases esteemed desperate and beyond the power of common remedies.

The operation of these pills is perfectly mild, so as to be used with safety by persons in every situation and of every age. They are excellently adapted to carry off superfluous bile and prevent its morbid secretions—to restore and amend the appetite—to produce a free perspiration and thereby prevent colds which are often of fatal consequences. A dose never fails to remove a cold taken on its first appearance: they are celebrated for removing habitual costiveness—sickness of the stomach and severe head-ache—and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured and carefully preserved for use by every seaman.

The Elixir is perfectly agreeable, and the dose so small that no difficulty arises in taking it.

Hahn's true & genuine German Corn Plaster.

An infallible remedy for corns, speedily removing them root and branch, without giving any pain.

The Genuine Persian Lotion.

So celebrated among the fashionable throughout Europe, is an invaluable cosmetic, perfectly innocent and safe, free from corrosive and repellent minerals, the basis of other lotions, and of unparalleled efficacy in removing blemishes of the face and skin, freckles, pimples, inflammatory redness, scurfs, tetter, ring-worms, sunburns, prickly heat, &c.

Hahn's genuine Eye Water.
